

MAP CASE

Waterproof folding resistant map case

SYMBOLS

Map Case		↑	→	📏
		27 cm 10.6 in.	27 cm 10.6 in.	125 g 4.4 oz.
	XL	50 cm 19.7 in.	35 cm 13.8 in.	250 g 8.8 oz.

- Two fastening strings make it ideally suitable for motorbiking, cycling, sailing, paragliding, caving or orientation runs
- Size XL may be used for sea charts
- With the four-point attachment system, the map can be easily secured to a backpack or boat/canoe
- Can be worn around the neck
- Transparent, UV-resistant material provides visibility of contents from both sides
- Can be rolled and folded, since the material is flexible

Comes with two fastening strings and two tankas
