- waterproof, lightweight and very robust photo trolley made of polycarbonate with spraywaterproof TIZIP zipper, lockable with integrated combination lock
- developed in cooperation with Photo König
- padded inserts for analogue and digital camera equipment with two housings
- suitable for 500mm tele lens
- organizer with laptop compartment in the lid (removable)
- suitable as carry on luggage (see outer dimensions)
- adapter for bike rack available as separate accessory (art. code E159)
- removable, ergonomic carrying system allows transport on the back

The hardcase is supplied with TIZIP lubricant and carrying system with a stuff sack.

**Attention:** In order to make the zipper move smoothly apply the lubricant sparingly onto the whole zipper and in particular into the U-shaped end portion. Remove excessive lubricant with a soft cloth, and open and close the zipper several times.
